Elective [#] 2 subjects, 3 credits each	6	6
Work-Integrated Education (WIE)	3 training credits	3 training credits
300 hours of work-based learning experience <i>(Relevant work experience accumulated during or after sub-degree studies may be considered for fulfilment of WIE. Students will be invited to submit application for consideration after programme commencement.)</i>		
Total	78 – 87 credits (including 3 training credits)	81 – 102 credits (including 3 training credits)

[^] Students from unrelated disciplines (i.e. holders of Associate Degree or equivalent qualification not in Accounting/ Business) with good academic results may also be considered for admission to this programme. These students will be required to take up to 5 additional foundation subjects if they have not completed similar subjects before.

⁺ Within these subjects, students need to fulfill the English and Chinese reading and writing requirements.

[~] Subject to the review in early 2020, all students may be required to take a Service Learning subject.

^{*} Students' fulfilment of LCR will be assessed based on their academic records of sub-degree studies. They will be advised if they are required to take LCR subjects on admission.

[#] The programme curriculum and requirements are now under review. Students who have completed studies relevant to specific subjects at equivalent level may be granted credit transfer for up to 9 credits on admission.
